

## **SMITA International Trade Association of Small and Medium Business of Malaysia Arrived with A Trade Mission in Almaty**

**November 06, 2019 – Almaty**

During the visit, members of the association visited the Chamber of Entrepreneurs of Almaty, where a Memorandum of Understanding was signed between the organizations.

SMITA is a commercial unit of the International Trade Association of Small and Medium Enterprises of Malaysia, the organization promotes and facilitates small and medium-sized enterprises on the world stage by providing training, expertise and support services such as trade missions, international conferences and educational seminars.

The main goal of the Memorandum of Understanding signed by the parties is to link Malaysian and Kazakhstani companies for investment and international business cooperation.

The parties intend to regularly exchange economic and business information - about market conditions, legal framework, foreign trade and business opportunities - in order to promote trade and investment growth between Malaysia and Kazakhstan.

In addition, organizations will continue to provide information on national and international fairs, exhibitions, as well as meetings of the private and public sectors. If necessary, and by mutual agreement, business visits and meetings will be organized.
